

# COASTAL FLAVOURS, ECLECTIC ENERGY

At Longshore, we thrive on the unexpected. Inspired by the dynamic Australian coastline, our menu is always on the move—fresh, seasonal, and never predictable. We pull together ingredients from sea and land, creating plates that blend skill, creativity, and a steady stream of spontaneity.

It's a place where no two days are the same. Every visit brings a new mix of energy, taste, and storytelling. Our vibe is laid-back but electric, with service that's as thoughtful as it is unpretentious. Whether you're here to grab a bite or stay for the night, Longshore is a space for discovery and connection.

This isn't your usual hatted restaurant. We're committed to keeping things real and sustainable because the coast is more than just a destination—it's a way of life.

It's where different flavours, ideas, and experiences find a place to belong.

If you're drawn to the unexpected, you belong at Longshore too.

We acknowledge the Gadigal People, of the Eora Nation, as the Traditional Owners of this land. We pay our respect to Elders, past, present and emerging. We are grateful to the Traditional Owners of the land. We thank them for their deep knowledge of traditional practices that have continuously nurtured this land's unique flora and fauna, with which our menu is so ubiquitous.

Sovereignty was never ceded.

Always was, always will be.

Explore our thoughtfully curated wine list, showcasing the rich diversity and craftsmanship of Australian winemakers.

From iconic, time-honoured estates to bold, emerging talent, we present a collection that captures the essence of Australia's vibrant vineyards, wines and producers.

Australia's expansive landscapes provide endless opportunities for exceptional wines, and we celebrate this dynamic spirit of creativity and innovation. Our selections stand proudly alongside the finest global offerings. Our wine list is thoughtfully curated around sustainability, celebrating the unique wine regions along Australia's coastline and the dedication of local growers.
